

OUR MISSION

Our mission is to provide high quality services through individualized, comprehensive, cost effective, and compassionate care with respect for each person.

Our goal is to enable all clients to maintain their independence through our highly skilled and motivated staff who promote the restoration and maintenance of health.

Owen Health Care strives to ensure that our clients' value of life, spirituality, culture, and ethnic background provide the foundation for their individualized care.

Our services are rendered without discrimination in regards to race, religion, sex, age, nationality, economic and social status.

OUR STAFF

At Owen Health Care we understand the importance of having qualified personnel who will serve and contribute to your loved ones care and well-being. We feel at Owen that it is vital to have all staff fully qualified through various trainings, certifications, a thorough orientation and ongoing in-services before working with your loved one.

All of our staff are required to have Criminal Background Checks before working in the field as well as fulfilling any other State and agency requirements.

All direct care employees work under the close supervision of our professional staff to ensure that the highest quality of care is delivered.

PAYMENT METHODS:

We accept Medicaid, Private Pay, most Commercial Insurances and Sub Contracts.
